

# Madeleine Oakley

---

## Department Address

1421 37th St NW  
Poulton Hall  
Washington, DC 20057  
mo643@georgetown.edu  
<https://maddieoakley.wixsite.com/website>  
+1 (720)-334-3546

## EDUCATION

- |                                                                                                                                                                           |               |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------|
| <b>Ph.D. in Linguistics, Georgetown University</b><br>Articulating non-native vowel contrasts<br><i>Dr. Elizabeth Zsiga (chair), Dr. Jennifer Nycz, Dr. Lisa Davidson</i> | expected 2021 |
| <b>M.S. in Linguistics, Georgetown University</b><br>Sinhala animate and inanimate nouns                                                                                  | 2017          |
| <b>B.A. in Linguistics &amp; B.A. in French, the University of Texas at Austin</b><br>Le comportement des pronoms personnels dans le français parlé au Québec             | 2014          |
| <b>Minor in Mathematics, the University of Texas at Austin</b>                                                                                                            | 2014          |

## TEACHING

### Georgetown University

#### *Instructor*

Sounds of Language, Spring 2020  
Introduction to Language, Fall 2018

#### *Course Coordinator*

Introduction to Language, Spring 2019  
Introduction to Language, Fall 2018

#### *Teaching Assistant*

Sounds of Language, Fall 2019  
Introduction to Language, Spring 2017  
Introduction to Language, Spring 2016  
How Languages are Learned, Fall 2016

#### *Guest Lecturer*

Articulatory analysis with Ultrasound Tongue Imaging, Fall 2019  
Articulatory analysis with Ultrasound Tongue Imaging, Spring 2019  
Articulatory analysis with Ultrasound Tongue Imaging, Fall 2018  
Phonemes and Allophones, Spring 2017  
Acquiring Second Language Phonology Abroad, Fall 2016  
Topics in L1 Acquisition, Spring 2016

## RESEARCH & FIELDWORK EXPERIENCE

### **Georgetown University**

*Gnagbodougnoa, Côte d'Ivoire*

Fieldwork Research Assistant, Guébie (Kru) with Dr. Hannah Sande, Summer 2018

### **Georgetown University**

*Washington, DC*

Research Assistant, acoustic phonetics of Guébie with Dr. Hannah Sande, Fall 2019

### **Georgetown University**

*Washington, DC*

Research Assistant, speech perception and acoustic phonetics with Dr. Hannah Sande, Fall 2017-Spring 2018

### **Embassy of France**

*Washington, DC*

Research Intern, Department of Educational Affairs, Summer 2017

### **Center for New Designs in Learning and Scholarship,**

### **Georgetown University**

*Washington, DC*

Graduate Student Assistant, online survey course analyst, Summer 2017

### **Wavi Co.**

*Boulder, CO*

Data Analyst, brain health technology company, Summer 2016

### **Sound Lab, University of Texas at Austin**

*Austin, TX*

Phonetics lab research assistant, Fall 2012, Fall 2013-Spring 2014

### **Le LaTTiCe**

*Paris, France*

Research Intern, corpus analysis, Spring 2013

## PUBLICATIONS

Accepted	Acoustic correlates to contrastive tone heights in two African languages ACAL50 Proceedings
Submitted	Guébie phonetics [with Hannah Sande & Alexandra Pfiffner] Journal of the IPA
2019	Articulation of L2 French mid and high vowels ICPhS 2019 Proceedings, 1724-1728. Ed. Sasha Calhoun, Paola Escudero, Marija Tabain & Paul Warren.  Acoustic correlates of stress in Amharic: Implications for Phonological Analyses

[with Hannah Sande & Maya L. Barzilai]  
 ICPhS 2019 Proceedings, 3802-3806. Ed. Sasha Calhoun, Paola Escudero, Marija Tabain & Paul Warren.

## CONFERENCE PRESENTATIONS

- |      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |

	Rabat, Morocco
	The link between phonological patterning and perception of implosive consonants [with Hannah Sande] <i>LabPhon16</i> Lisbon, Portugal
	Articulatory strategies in acquisition of the French /y/-/u/ contrast <i>LabPhon16</i> Lisbon, Portugal
2017	Non-native perception of Vietnamese tone contrasts <i>174<sup>th</sup> Meeting of the Acoustical Society of America (ASA)</i> New Orleans, LA
	Moraic structure of geminates in Sinhala animate nouns <i>25<sup>th</sup> Manchester Phonology Meeting (mfm)</i> Manchester, United Kingdom

#### WORKSHOPS ATTENDED

2019	Advancing Research in Phonology via Articulatory Phonology Workshop <i>Monterrey, CA</i>
Spring 2019	The Apprenticeship in Teaching Program <i>Center for New Designs in Learning and Scholarship, Georgetown University</i> <i>Washington, D.C.</i>

#### AWARDS & FELLOWSHIPS

2019	Dissertation Grant, awarded by the <i>Language Learning Journal</i>
2016 - present	Georgetown University Linguistics Graduate Assistantship
2017 - 2019	Georgetown University Graduate School Conference Travel Grant
2017 - 2019	Department of Linguistics Travel Grant
2011-2014	Magna Cum Laude, the University of Texas at Austin
2013	Walther International Internship Fellowship

#### SERVICE & MEMBERSHIP

2019	Research-based Undergraduate Linguistics Experience (RULE) <i>Undergraduate Research Mentor</i>
2018	Georgetown University Linguistics Research Apprenticeship Program (GULRAP) <i>Undergraduate Research Mentor</i>

2015 - present	Georgetown University PhonLab
2018 - 2019	Graduate Linguistics Students Association <i>Social Chair</i>
2018	Georgetown University Majors Fair <i>Linguistics Department Representative</i>

LANGUAGES

Native	English
Advanced	French
Fieldwork	Guébie, Nobiin
Programming	Praat, R, L <sup>A</sup> T <sub>E</sub> X, Articulate Assistant Advanced, EdgeTrak System, PsychoPy
